## B&Q owner's profits soar above £1bn

B&Q owner Kingfisher has revealed profits soared above £1billion last year as the DIY boom seen throughout the COVID pandemic continued.

Bosses said the extra cash would be handed out to shareholders through dividends and buying up stock to boost the share price, with £550million returned to investors.

However, the company saw a marked fall in sales in the three months to the end of January, including a rare drop in sales at its popular Screwfix stores.

The company, which also owns DIY stores in France, Poland, Iberia and Romania, added that since the war in Ukraine started it has removed Russian and Belarusian products from its shelves.

Kingfisher said it was in discussions with suppliers to ensure products were not being sourced from either country.

It sold its Castorama Russia business in September 2020.

## Man charged with student's murder

A MAN has been charged with murder over the death of 19-year-old student Sabita Thanwani.

Maher Maaroufe, 22, of no fixed address, was charged with murder as well as assaulting an emergency worker, the Metropolitan Police said.

Ms Thanwani was found dead at student accommodation in Clerkenwell, central London, shortly after 5am on Saturday.

A post-mortem examination carried out on Monday gave the cause of death as sharp force trauma to the neck.

# OUR BEAUTIFUL LITTLE GIRL

## Horror as tot killed by family dog

A "beautiful little girl" has died after being mauled by a dog at her home.

Neighbours in Blackbrook, St Helens, Merseyside, spoke of their shock after 17-month-old Bella-Rae Birch died in hospital of her injuries following Monday's attack.

Joanne Matthews, 53, said: "She was such a beautiful little girl, toddling about."

"I'd see the family in passing, just to say hello, and they were always very pleasant."

Ms Matthews said she saw an ambulance outside the house in Bidston Avenue at about 3.50pm on Monday and then about 10 police vehicles arrive.

She said: "I saw them bring the dog out. I couldn't tell what breed it was, but from

the back it looked like a Staffordshire bull terrier or pit bull."

Merseyside Police said the dog, which has been put down, had only been with the family for a week.

It will be examined to determine its breed and whether it was banned under the Dangerous Dogs Act (1991), the force said.

### Crying

Another neighbour, who did not want to be named, said she got home from the shops at about 4.30pm, when the area was busy with police.

She said: "My friend gave me a lift and I said to her, 'There's got to have been a murder'."

"The mum was on the field

at the front of the house crying. She was hysterical.

"It is usually very quiet here and safe for children, but when you hear something like this has happened it is so distressing."

Detective Inspector Lisa Milligan said: "The little girl's parents and wider family are devastated and our specialist family liaison officers are providing them with support at this horrendous time."

"Whilst we are in the very early stages of the investigation into this tragic incident, we can confirm that the dog was only bought by the family a week ago and officers are working to identify the previous owners of the dog concerned and establish its history."

## Shell consider U-turn over Cambo oilfield

ENERGY giant Shell is reconsidering its recent decision to pull investment from a large new UK oilfield.

In December, Shell said the economic case, along with possible regulatory delays, meant it was withdrawing from the Cambo oil field, which is 75 miles off the west coast of Shetland.

At the time the price of crude oil was under \$70 a barrel.

It has since touched double that price and has consistently been over \$100.

Oil prices are volatile because of fears that Russian oil will either be shunned, or cut off.

The desire to reduce European dependence on Russian exports has also made the UK government willing to fast track investment in domestic fossil fuels.

Shell has not yet sold its interests in the Cambo field.

Sources said that, while the company's official position had not changed, it did acknowledge that the economic, political and regulatory environment had changed enormously since the decision was announced just three months ago.

## February house sales plummet

HOUSE sales in February were around a fifth lower than the same month in 2021, according to HM Revenue and Customs (HMRC) figures.

An estimated 112,240 transactions took place in February across the UK, 20.8% lower than in February 2021.

However, the total was 4.4% higher than in January 2022.

A stamp duty holiday in England and Northern Ireland ended completely from October last year.

Similar holidays had also taken place in Scotland and Wales.

On Monday, property website Rightmove reported that the average price tag on a home in Britain has topped £350,000 for the first time.

## Ukraine medic's chilling threat

**THE owner of a war zone mobile hospital in eastern Ukraine said in a TV interview that he has instructed doctors to 'castrate' captured Russian soldiers.**

Gennadiy Druzenko, 49, told Ukraine-24 about his alleged order, though it is unclear if it was bravado or a genuine order that would break the Geneva Conventions.

Discussing captured and injured Russian soldiers, Druzenko said: "I have always been a great humanist and said that if a man is wounded, he is no longer an enemy but a patient."

"But now [I gave] very strict orders to castrate all [captured Russian] men,

By COLIN HURST

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

because they are cockroaches, not people."

Since 2014, around 500 male and female doctors have worked at the hospital.

A lawyer by training, Druzenko set up the First Voluntary Mobile Hospital, which deploys civilian doctors and nurses in the conflict zone close to the separatist republics in eastern Ukraine.

### Nightmare

He also told famous Russian TV host Yevgeny Kiselyov on the Ukraine-24 channel: "Believe, all doctors who saved the patients, Russians will die here. Die in large numbers."

"Those who [come here]

will remember their nightmare on Ukrainian soil. Like the Germans remember Stalingrad."

The Russian Investigative Committee opened a criminal case into the comments, which means if Druzenko is captured he will face trial under Russian law.

"The head of the Ukrainian Mobile Hospital project, Gennadiy Druzenko, called for violence against captured soldiers of the Russian Armed Forces live on a Ukrainian TV channel. He gave this instruction to the doctors of mobile hospitals," it said.

Alexander Bastyrykin, the head of the committee and a former university classmate of Vladimir Putin, initiated a criminal case over his castration demand, which is "contrary to the law and the norms of medical ethics".

# NORTHERN IRELAND THREAT LEVEL LOWERED

THE terrorism threat level in Northern Ireland has been lowered from severe to substantial for the first time in 12 years, Secretary of State Brandon Lewis has announced.

The decision to change the threat level is taken by MI5, independent of Government.

The threat level is subject to continuous review and judgments about the threat are

based on a wide range of information.

It is the first time the threat level in Northern Ireland has been reduced from severe since it was first published in 2010.

Substantial means that a terrorist attack is likely and might well occur without further warning.

Mr Lewis (left) said: "This shows the significant progress that Northern Ireland has made, and continues to

make, towards a more peaceful, more prosperous and safer society.

"It is a testament to the ongoing commitment to protecting the peace process and tackling Northern Ireland-related terrorism, and the tremendous efforts of the Police Service of Northern Ireland and MI5 for their hard won gains over the past decade."

"However, it is not a time for complacency."

The 25-year-old, wife of pop star Justin, had slipped into some revealing bra and knickers for a sizzling photoshoot.

She put on a VERY busty display in a yellow bra covered in lace and matched it with high-cut yellow panties.

The images emerged after the model was hospitalised last week before Hailey revealed she had developed "stroke-like symptoms" due to a blood clot in her brain.

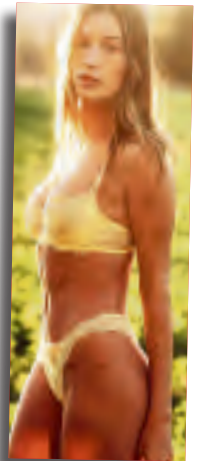

But the pictures were soon picked by the notorious website of the once-staid Daily Mail and its army of commenters had their cocks out before their keyboards.

# HOTTER THAN THE COSTAS!

BRITAIN is set to bask in rocketing temperatures through the rest of the week after a knock-on effect from a heatwave in the Arctic, experts have warned.

The mercury soared to 68F (20C) yesterday in the joint hottest day of the year so far and remain high through Wednesday – 68F (20C) – and Thursday – 64F (18C).

That made it warmer than Barcelona at 57F (14C).

It comes after the weekend brought the hottest day of the year

so far – 68F (20C) at Kinlochewe, in the Scottish Highlands on Saturday.

Meanwhile England's warmest temperature of the year, 63.5F (17.5C), was clocked in at Wiggonholt, West Sussex, on Friday.

Scientists suggested Britain's 'early summer' could be caused by a 'completely unprecedented' heatwave in the Arctic, where temperatures nearly 86F (30C) above normal hit the North Pole.

BBC meteorologist and presenter Tomasz Schafernaker said: "It is

still chilly today. This high pressure may well be bringing the dry weather and the sunny skies but the winds around it are quite strong.

"And also blowing a little bit of cloud into parts of East Anglia and the South East today, I wouldn't even rule out the odd shower."

"The temperatures on the North Sea coast are barely making double figures, out towards the West we're talking around 11-13C."

He added: "Lots of sunshine throughout the UK, clouds will build

in maybe one or two areas through the course of the afternoon.

"Top temperatures in the South already a little bit higher – around 16C – still chilly in central and northern Scotland. Beyond that, from Tuesday into Wednesday and Thursday, temperatures will be climbing."

The Met Office's Annie Shuttleworth said: "We're looking at the settled weather lasting through the week and most likely through the coming weekend."

## Mix-up robbed Bridgerton star of sex scenes

BRIDGERTON star Luke Thompson got buffed up for raunchy scenes... but show bosses had got him mixed up with another actor!

Luke (above), who plays Benedict Bridgerton, was mistakenly told to get in shape for sex scenes.

Bosses soon realised they had mixed up 33-year-old Luke with his namesake screen brother Luke Newton, who plays Colin Bridgerton.

Nicola Coughlan, who stars as gossip columnist Penelope Featherington in the period drama, revealed: "Luke Thompson got mixed up with the other Luke on the show."

"They offered him a personal trainer for his intimate scenes and we don't get all the scripts at once, so he was like, 'I wonder what that's going to be?'"

It wasn't a total disaster for Luke though, because as soon as they realised the mix-up, the producers allowed him to keep the personal trainer.

## Girl, 14, dies in e-scooter van horror

A TEENAGE girl riding an e-scooter has died following a crash with a van in east London.

The rider, who police believe was 14 years old, was in collision with the vehicle on Green Street in Upton Park. She was treated by paramedics but died at the scene.

Detectives said the driver of the van was with police but he had not been arrested.

The girl's next of kin have been informed, the Met added.

Police have cordoned off a half-mile stretch of the B167 in Newham following the crash.

The use of privately-owned e-scooters is banned on public roads in the UK, although a rental scheme was introduced in some parts of London in June 2021 as part of government-backed trials across England.

## Trump's titty windfall

**PORN legend Stormy Daniels has been ordered by a court to pay Donald Trump \$300,000 (£227,000) in lawyers' fees after it rejected her appeal to another's court ruling in her defamation case against the former president.**

In a statement, Trump celebrated the news and said that "all I have to do is wait for all of the money she owes me".

"The lawsuit was a purely political stunt that never should have started, or allowed to happen, and I am pleased that my lawyers were able to bring it to a successful conclusion after the court fully rejected her appeal," Trump said.

The ruling by the US Circuit Court of Appeals for the Ninth Circuit followed an earlier ruling by a lower court that rejected Daniels' defamation suit against Trump after he refuted her claims that they had sex in 2006.

The lengthy legal battle has set a chain reaction of appeals, with lawyers for both parties being convicted of various crimes.

**A YOUNG female carer has been struck off after wearing hot pants and crop top to work at a children's home – and had a "sexual" relationship with a teenage boy.**

Jade Fitzpatrick, 26, sparked the relationship with the 17-year-old boy who lived at the residential home where she worked.

The pair had a secret love language called "jibba-jabba" and Fitzpatrick would visit his room at night with the door closed.

A Fitness to Practise hearing was told she wore "inappropriate" clothes to work when a colleague spotted her in hot pants and a crop top.

Presenting officer Graham Miles said Fitzpatrick made contact with the boy on social media and even sent a message saying "I love you".

The pair had also booked to go on a 200-mile trip from the home to Thorpe Park to stay in a hotel.

But concerns were raised about Fitzpatrick in August 2020 when the teenager damaged a car when angry the trip had been called off.

## Breach

A neighbour told staff he had seen Fitzpatrick and the youth kissing several times.

Mr Griffiths said the carer was "dishonest and lacking integrity" and her behaviour was an "egregious breach of duty to a vulnerable young person".

The Social Care Wales panel heard Fitzpatrick had visited the teenager in his bedroom at night "on many occasions".

Justin Davies, legal adviser to the panel, said he would have needed no assistance with being put to bed and there was no reason to close the door.

He said: "Given the evidence, we're satisfied Miss Fitzpatrick visited

at night with the door closed.

"We recognise that there are a number of reasons why staff members would go in a young person's bedroom, however it would be with the door open."

He added: "The inappropriate nature of the relationship was plain to see."

"It was more likely than not her behaviour was sexually motivated – there is no other plausible explanation that explains the conduct that we have found proven."

Fitzpatrick, who worked for the Keys Childcare group, was found to have committed serious misconduct.

Chair Lorna Savidge said Fitzpatrick had "brazenly lied" about being unaware of her suspension.

She'd put colleagues who had reported her to management in a difficult position and had continued to deny the allegations.

Ms Savidge said: "There is nothing to persuade us that the conduct would not be repeated in future," she said.

The panel decided that her removal from the register should come into effect immediately and will remain for three years.

## Jet crash victims 'incinerated'

THE 132 passengers who died when a Chinese plane crashed into the ground were "totally incinerated" in a 1,000-degree fireball, rescuers say.

Recovery teams are still picking through the debris of a crashed China Eastern jet after it plummeted from the sky on Monday.

The Chinese Boeing 737-800 smashed into a mountainside with no survivors, and rescue

workers speculated that the fire had 'totally incinerated' the passengers and their belongings, before causing damage to the surrounding forest.

China Eastern grounded all of its Boeing 737-800 aircraft after the incident, in which the plane suddenly nose-dived and plummeted 30,000ft in two minutes before slamming into the ground at 350mph.

## Drugs linked to dead trans porn star in Vegas

KETAMINE laced with deadly fentanyl may have caused the death of trans porn star Angelina Please.

Police found the body of Angelina, 24, in a Las Vegas apartment, days after she had been reported missing.

The Clark County Medical Examiner has yet to release a cause of death.

"She'd been clean from meth for over a year, but she was still dabbling in party drugs."

"I could tell her until I was blue in the face not to do it, and why you shouldn't do it, but she would just hide it from me and I didn't want her to do that."

Ketamine is popular as a party drug. Fentanyl is a powerful synthetic opioid.

# PRINCE CHARLES RUINED MY SEX LIFE!

By GRACE HOOPER  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**I'M A CELEBRITY** star Sheila Ferguson claims Prince Charles ruined her **SEX LIFE!**

After serenading Charles on his 30th birthday, Three Degrees legend Sheila immediately became his favourite singer – and they've been friends ever since.

But Charles may now be dreading the moment he next bumps into the star, as she has a rather big grievance to raise with him.

Sheila is planning to confront Charles about the state of her romantic endeavours.

"He ruined my love life and I'll have no problem telling him next time we meet," she said.

Sheila says being linked to the heir to the throne puts men off dating her, which has left her single and having to rely on dating sites at the age of 74.

"It's ruined my sex life," she said. "I walked over to this guy one time [at a disco] and said 'Would you like to

dance?' and he said 'I can't dance with you, you're Prince Charles' favourite'.

And the royal friendship seems to be affecting her chances online, too.

She added: "Every time I got to who I was, Charles's name came up. I thought, 'I'll never find anyone!'"

After Charles, 73, first met the American female soul group The Three Degrees, whose biggest hit was *When Will I See You Again*, he is said to have become so besotted with lead singer Sheila that he made amorous advances towards her.

But Sheila has always insisted she was never romantically involved with the Prince.

Yet the topic of their rumoured romance has never been fully quashed.

**Tourist killed**  
in shark attack

AN Italian tourist was fatally attacked by a shark off a Caribbean island.

The 56-year-old victim, identified as Antonio Roseto Degli Abruzzi, was swimming near a cliff off Colombia's San Andrés island in the Caribbean Sea when he was bitten in the right leg by an eight-foot tiger shark.

He died of severe blood loss, authorities said.

The incident occurred in an area called La Piscinita, a popular snorkelling spot on the southwest side of San Andrés, about 235 miles off the coast of Nicaragua and 470 miles north of the Colombian mainland.

The deadly attack took place in an area with few swimmers.

**RESCUER SAVED MAN, THEN SHOT HIM DEAD**

A GOOD Samaritan who shot and killed a drowning man he was attempting to save won't face criminal charges in the bizarre case, authorities said.

Prosecutors said the unidentified gunman acted in self-defence when he fatally shot 29-year-old Nathan Drew Morgan, who was drowning in Lake Keowee, South Carolina.

Police said Morgan and his pal tumbled off their jet ski without life jackets and the rescuer tried to help the pair by steering a pontoon boat to them.

But Morgan became combative after being pulled to safety, forcing the rescuer to push him back into the water.

The man then opened fire when Morgan climbed back on board.

Morgan (left) was fatally shot in the chest, the Oconee County Coroner's Office ruled.

## Mayo in face worker shot at customer

A **BURGER** King employee shot at a customer after he threw mayonnaise at her face.

Shateasha Hicks, 30, was charged with discharging a firearm in public after the incident at the fast-food joint in Miami Gardens, Florida.

Police said Hicks (above) opened fire on a man after an argument at the drive-thru window.

A relative of Hicks said the customer had squirted or thrown mayonnaise in her face.

The customer drove off and parked in the Burger King car park, according to a witness.

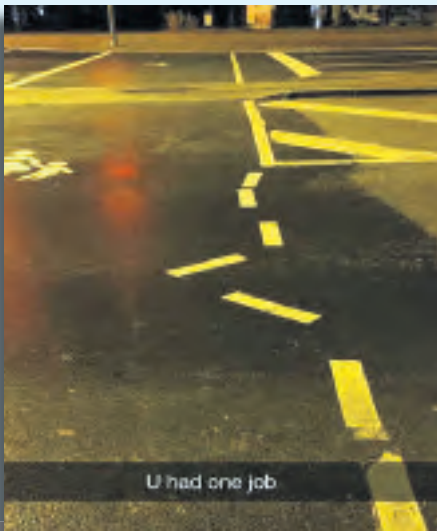

Hicks then allegedly went to her car, grabbed a gun and squeezed off five shots at the man's vehicle as he drove off, according to an arrest report.

She fled in her car but was arrested by cops near her home.

It's not clear if the customer, who hasn't been traced, was injured in the shooting.

**KATE Moss's little sister has reportedly been dumped by her modelling agency following her nude photo scandal.**

Lottie 24, was removed from Storm's website while the firm's details have been taken down from her social media accounts.

It comes after explicit images of Lottie were leaked from her OnlyFans account by a former friend.

Lottie, who claimed to have been earning £100,000-a-month selling her racy snaps from the platform, had slowed down her work with the iconic Storm agency to focus on it.

"Kind of the reason why I'm not doing the modelling stuff is because I'm doing more nude stuff. I really enjoy it," she said previously.

"I think it's a shame the industry doesn't kind of fully accept that."

"I'm not just talking about my agency, I'm talking about the industry as a whole."

Lottie and Kate are just two out of a constellation of stars discovered and represented by the Storm agency.

# MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...

# THE WIFE SLAYER

WHEN Sharon Clause married Thomas Randolph in 2006, she should have thought twice before saying "I do". Because evil Randolph had been accused once before of murdering a wife. Soon Sharon, too, would lie bleeding to death, in her own home, from horrific gunshot wounds...

DEATH SENTENCE: Evil Thomas Randolph was married six times

**THOMAS Randolph would have you believe he's a hero.**

According to his version of the events of May 8, 2008, he awoke in the night at his home in Las Vegas, Nevada, having heard gunshots.

There on the floor he found his beloved wife, Sharon Clause, surrounded by an expanding puddle of blood caused by a gunshot blast to the head.

By **KOURTNEY KENNEDY**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Randolph described it as "the grossest thing I've ever seen". And there in the hallway was a masked intruder.

Randolph immediately gave chase, pursuing the "attacker" into his garage before shooting him dead.

He told cops: "I don't remember if I saw the handle in his sweatshirt, or if I saw the

handle in his pants, but he was doing something, he was going for something.

"He kind of rushed up on me a little bit and that's when I just pushed him, boom boom boom."

In a recorded phone call to police shortly after the incident, he'd screamed at the operator: "My wife's been shot! There's blood everywhere! Oh God, Sharon..."

Sounds convincing, doesn't it? But the truth of this tragic event is that Randolph actually

Colleen Beyer, added: "It's been way too long. It hurts every day."

"I feel that's really what he deserves. He's a monster. He's one evil, evil monster."

So what actually drove Randolph – a drug dealer and a handyman – to kill the woman he married?

Four life insurance policies worth a total of £280,000, that's what.

And, more amazingly, this wasn't the first time Randolph had seen a wife die in mysterious circumstances.

In 1983 he divorced his first missus, with whom he has one child.

Just a day after the divorce was finalised, he married Becky Gault.

Three years later, Becky – a cocaine user – was found dead in bed, a single gunshot wound to her head and a pistol in her hand.

At first, the cause of death seemed clear-cut. But detectives were not convinced it was a simple suicide.

Having learned how Randolph pocketed £500k in life insurance from Becky's demise, they charged him with murder.

It didn't look good for him. Not only had he lined his pockets, a key witness – Eric Tarantino – testified that Randolph had tried to hire him to kill Becky.

Too weak to kill his own wife himself, he'd arranged for a hitman – his friend Michael Miller – to do the dirty deed instead.

And he wanted to make it look like a burglary gone wrong.

## Ointment

But Randolph knew there could be no witnesses, no flies in the ointment.

And so he not only set in motion the murder of his own partner, he then brutally gunned down the man he had hired to fulfil this heinous plot.

Having been handed a death sentence by the State of Nevada in July 2017, one of Sharon's closest friends, Sandra Miner, rejoiced at the punishment, saying: "If he got the death sentence twice, and if they could resurrect him, he deserves to be killed a second time."

Sharon's daughter,

Randolph made Eric

IN COURT: Randolph

rehearse different ways to make her death look like an accident or a suicide.

These included him setting fire to their trailer, a car crash, running her over with a car at a campsite, a hunting accident, pushing her into a raging river and even switching her medication.

If Tarantino delayed in his preparation, then

Randolph would beat him.

Tarantino testified: "It wasn't a friendship any more. It was a job. Every conversation was about Becky's death."

A report from a local newspaper at the time, the *Deseret News*, stated: "Tarantino told the jury he and Randolph also discussed a suicide scenario but rejected the idea as Randolph

## JUSTIN DUNN'S ROOM 101

### WHAT'S ANNOYING HIM THIS WEEK?

# They're after your vote...AGAIN!

**IN about a month's time, your doorbell will suddenly be getting busy.**

The political parties will be out in force hoping to garner your vote in the May local government elections.

A bunch of political nobodies lining up to take their chance at getting a seat on your council's benches.

What absolutely none of them are likely to do is to seek out your genuine concerns.

Instead, they'll try to gauge your interests or prejudices.

So if they're from the Conservative Party, they'll want to know how amazing you think their vaccination programme has been.

"Is it amazing, absolutely amazing, or out-of-this-world amazing?"

With no mention at all of #partygate – unless you bring it up.

Likewise, if they're from Labour, they'll only really want to know how rubbish you think Boris and his government really are.

#### Tedious

"Are they shit, really shit, or a complete and utter shower of shits?"

And if it's the Lib Dems, well... you note the yellow rosette on their lapels through the window and swerve answering the door at all.

Local elections are a tedious business, because even though it's only for local councils, voters tend to be influenced by national issues.

Which means the people hoping to become in charge of not fixing potholes, and in any case handing over all roads to cyclists, will instead be asked about grown-up stuff they

have zero influence on.

But you can always have a bit of fun with them anyway.

If it's a representative of Sir Buffet Sinclair-Turd, make them squirm by asking what they think about Boris's young wife Carrie.

Or about Dominic Cummings breaking the COVID lockdown to take a drive from Number 10 to the North East while the rest of us were cowering inside our homes.

Or whether they believe for a second that the Prime Minister quaffing wine and guzzling sausage rolls constitutes as a "work event" rather than a straightforward piss up.

Labour have a few issues to deal with, too.

Like why do they criticise the government for absolutely everything it does and then meekly vote alongside the Tories anyway?

Or you could ask them if, rather than just their "computer says no" attitude to everything (before voting through the subject of their criticism anyway), if they had "any" alternatives of their own.

Or – and for this one

award yourself ten points for daring – ask Citizen Smith if he/she/they could give you their definition of a member of that threatened-with-extinction species, "women".

That question in particular is one they really hate being asked. So make sure you ask it.

Senior Labour MP and Shadow Home Secretary Yvette Cooper – who is an actual woman – refused to "go down the rabbit hole" by answering that most simple of questions.

Her boss Keir Starmer casually dismissed the query with the reply that a woman is a "person with a cervix" – thereby following the tried-and-tested Jeremy Corbyn rule book of annoying as many potential voters as possible.

And seeing as we all know that the Lib Dems will agree with whatever Labour says, you can pat yourself on the back once again for sensibly not opening your door to them in the first place.

## #MY SEX FANTASY

...WITH  
ZAFIRA KLASS,  
34D, FROM  
MANCHESTER

**I'M bisexual and I absolutely love a steamy threesome session.**

Being with a guy and a girl at the same time is literally having the best of both worlds!

I quite regularly have 3-ways - they either spontaneously happen after going clubbing or I'll arrange them using online dating apps.

Whenever I post a picture of myself and a hot girlfriend asking for a bloke to join us, we get inundated with messages!

I love curvy women and kissing a girl is amazing because our lips are so soft.

I'm boob mad, too, and think

that being with a woman is a very sensual experience.

On the other hand, I like a rugged bloke who takes charge.

My favourite positions in a threesome include me being on all fours and being pounded by the man from behind while going down on the girl. Then me and the woman can swap over.

I also love the guy being on his back and one of us girls riding while the other sits on his face.

That way the women can face each other and get some lesbian action going on, kissing and caressing each others' boobs.

I'm getting really quite worked up now.

Pass me my phone so I can get swiping on one of the dating apps!

## Suspect 'played music' after shooting tramp

A MAN suspected of shooting at least five homeless men across Washington DC and New York City played music from his mobile phone in the moments after one attack, police say.

Gerald Brevard III, 30, was arrested in Washington following a massive manhunt across both cities.

Prosecutors said Brevard was identified after a longtime friend recognised him from police-issued surveillance photos and contacted cops.

Brevard is accused of stalking and shooting five homeless men, two fatally, as they slept on the streets of New York City and Washington over a 10-day period.

Police linked the cases through ballistics evidence, telephone records and Brevard's social media posts, prosecutors said at his first court appearance.

Brevard (above) was ordered held without bail on a first-degree murder charge over the death of Morgan Holmes, 54, who was found shot and stabbed inside a burning tent in Washington.

Brevard has not been formally charged over the other shootings.

## Naked gunman fired at cops

**COPS** are looking for a potentially naked man who they said fired a gun at them.

Investigators responded to a neighbourhood north of Highway 320 in Micanopy, Florida, after reports of a domestic disturbance.

Deputies said a man they believe could be Daniel Robbins fired at them.

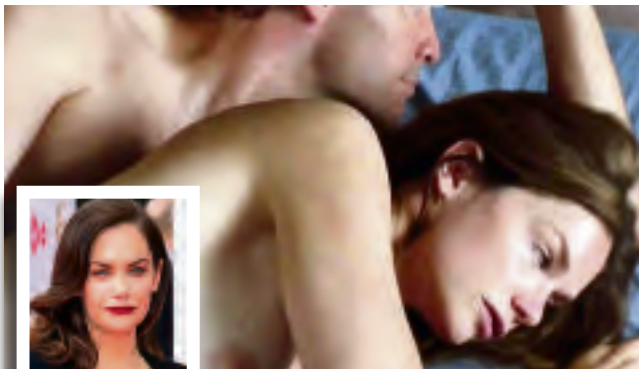

Officials said no one was hurt in the shooting.

Deputies said they searched his home, but he was not found inside.

The Marion County Sheriff's Office said he may be hiding naked in the nearby woods, with several guns.

**SEXY** Ruth Wilson says she has no problem with nudity, despite reports she left hit drama *The Affair* in frustration at getting her kit off so much.

The actress, 40, stars in the psychological drama film *True Things* and acknowledges that it's an "incredibly sexy and explicit" movie.

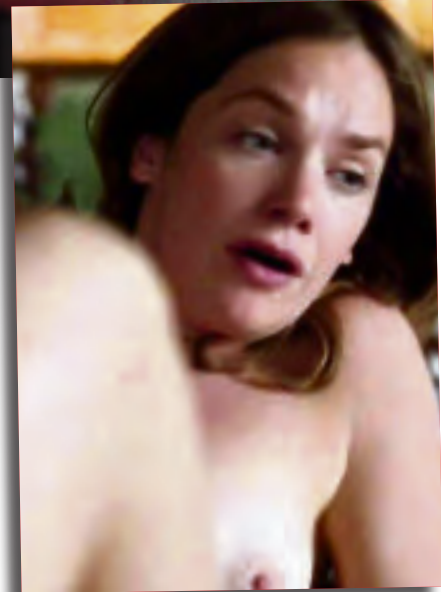

Ruth appears alongside Tom Burke, Hayley Squires and Tom Weston-Jones in the film and explained: "There's very little nudity in *True Things*. But it is incredibly sexy and explicit in some ways."

"I've never had an issue with nudity, per se, it's about the nature of the scenes."

"Everyone has their own boundaries and, for me, if it doesn't feel genuine, I start to distrust why it's there."

"In *True Things*, each sex scene depicts the journey of the relationship."

"Sexuality is part of human nature. We have to put it on screen, it's about making it really specific and honest."

# FIVE HURT IN MIAMI BEACH SHOOTINGS

THE US city of Miami Beach has declared a state of emergency and will impose a curfew this week after several people were injured in two separate shootings over the weekend as spring breakers wreak havoc on the city.

"We didn't ask for spring break and we don't want it," Miami Beach Mayor Dan Gelber declared at a press conference with city officials. "Our city is past its endpoint," he said.

The curfew, which will mainly affect the South Beach

area of the city in Florida, will come into effect at 12.01am on Thursday and lasts until 6am on Monday.

Officials said they also plan to impose the same curfew for the following weekend.

Five people ended up in hospital after a pair of shootings on Ocean Drive over the weekend, police said.

Two women were shot around 1am on Monday morning and three others were shot just after midnight on Sunday morning. Four police officers were

also injured while clearing away crowds after Monday's shooting.

"We just simply cannot have people come to our city and have to worry about being shot," Gelber said. "That's not a way a city can operate."

Both shootings happened while spring breakers were reveling outdoors and prompted panicked crowds to run for cover, causing property damage and disrupting traffic.

Mayor Gelber said cops are under strict orders to usher

rule-breakers off the beach.

One gunman, 19-year-old Derrick Antonio Mitchell, was arrested in connection with Monday morning's shooting that wounded two women.

"I only shot because they shot at me first," Mitchell told cops when he was taken into custody, according to his arrest affidavit.

Another gunman got away and is being sought by authorities.

No suspects have been identified in connection with Sunday's shooting.

# THE WORLD FAMOUS AGONY Page

Dear Tess,

LAST week I was due to fly to Milan for a business meeting. As I checked in I clocked a stunning woman in a black dress and jacket, with long raven hair and fantastic breasts. She beckoned me over and I was gobsmacked when, straight out, she asked in a thick Italian accent if I wanted "to f\*\*k". We hurried into a cubicle in the gents where she ripped her blouse open to reveal her fabulous melons and I soon had my gob round her nipples. As I hitched up her skirt and fingered her dripping pussy she squeezed my balls and massaged my cock. Then she quickly undid my flies and I rammed my throbbing manhood up her. When we'd both climaxed she did herself up and walked off without a word. But I missed the flight and now I've been sacked – should I tell the wife?

NC, Wilts

Tess says...

TELL her you've had a rise – it's true! ! But don't mention the Italian job!

Dear Tess,

I RECENTLY asked my girlfriend if she was interested in dabbling with some "backdoor fun". At first, she told me she had reservations, but finally agreed – on the understanding that we BOTH try it. So now she wants to strap on a big, f\*\*k-off dildo and do ME up the shitter, before she'll allow me to shag her bumhole. I know it may seem like double standards, but I feel anal for women has become "the norm" between heterosexual couples, whereas for the man to receive "pegging" seems a little bit "abnormal" to me. On a purely physical level I have no real problem doing it. But my issue lies with if – or when – I ever finish with her, how much shit will I get from my mates down the pub if she ever tells them about our intimate anal frolics. Please help!

AN, Bristol

Tess says...

IF it's OK for her to take it up the a rse, then it should be the same for you.

## Sale of the sin-tury

Dear Tess,

I'm a salesman and I was out promoting goods in a supermarket last week when I caught the eye of a pretty female shop assistant.

We chatted a couple of times during the day and I noticed she was flirting quite openly with me – which was very flattering.

Then she sidled up to me at the end of the day and asked if I minded giving her a lift to the bus stop, just down the end of the road.

I agreed – thinking it would at least give me the chance to get her phone number.

But I hadn't even switched on the ignition before she was trying to unzip my flies!

She told me she knew of a quiet lane nearby, but when we

got there it was well-lit and we went into a field next to it – by which time she'd already slipped off her knickers.

I got stuck into her and she clawed at my back with her long fingernails as I pumped long, hard and deep into her wet fanny.

Later I took my muddy clothes to a launderette and washed them there.

And I thought I'd got away with it but the next day my wife found the girl's undercrackers under the passenger seat in our car, and she kicked me out.

Please help!

IH, Kent

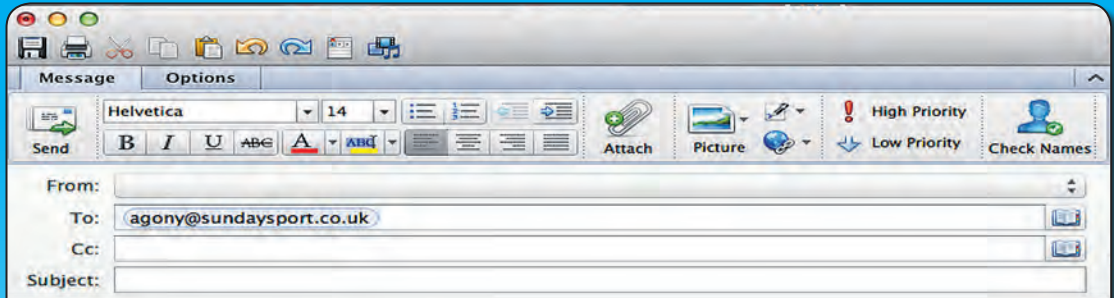

Tess says...

BEG for forgiveness, you f\*\*king idiot!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

**WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week TESS O'REILLY has been reading through your letters. And here's her advice for you...**

# Nympho breast pals feel a little confused

Dear Tess,

**WE'RE a couple of babes in our late teens who love flashing our bodies.**

We are both at college, doing beauty and hairdressing, and we travel there on the train.

And we really love to show off our knockers to any lads stood on the opposite platforms.

The other day some fella sat opposite us on the train and as usual we were both wearing extremely short skirts with no knickers on underneath.

There was no-one else in the carriage that morning so we told him to get his cock out and we started to play with our wet holes.

## Bushes

He quickly shot up all over his pants before getting off at the next stop.

That afternoon at college there was a discussion about pubic hair-shaping and the teacher encouraged us to go home that evening and try it out on our own bushes.

As me and my pal are both completely shaven down below we roped in a few of our female mates and after a few jars at our local boozer we got them

to drop their knickers.

One girl had the most gorgeous pussy and she was dripping wet as we trimmed her bush into the shape of a heart.

She didn't mind when we slipped our fingers up her crack, too, and started to frig her off.

Do you think we're both lesbian?

*TT and JK, Surrey*

Tess says...

**NO – but you're certainly randy little minxes!**

Dear Tess,

MY mate's sister is not a stunna but she's got huge tits – she must be 36FF.

I was at a party a couple of weeks ago and ended up pulling her, and we went back to my place where I wasted no time

getting her boobs out.

I wrapped them around my throbbing cock and just as I was about to come, she took me in her mouth and I exploded down her throat.

Later I was giving her hints that she should go when she made it clear she wanted me to knob her.

## Sopping

Despite her ugly face, I managed to do as she asked – I just concentrated on her tits and it was quite a turn-on watching them wobble as I thrust into her sopping minge.

But she now thinks we are going with each other.

What should I do?

*DD, Bristol*

**JUST BE honest with her, and dump her.**

Dear Tess,

# My birthday treat with randy twins

Dear Tess,

I WENT to a club a few weeks ago for my birthday and I was dancing with my girlie mates when these twin hunks joined in.

I was pretty tipsy and I agreed to go to a quiet corner with them, where I sat between them and we had a great laugh together.

Then one of them asked if he could give me a cheeky birthday snog and I said yes.

And as he kissed me I felt a hand on my breast.

I opened my eyes and saw his brother having a feel – but I didn't object.

Then the one kissing me put his hand up my skirt and began stroking my pussy.

By that time we were all pretty horny so I said we should go somewhere more private.

They suggested their car, which was parked up at the back of the club. So we went outside and climbed in the back.

Soon we were kissing and fondling. I took out one brother's cock and started to suck him off as the other fingered me.

I pointed my bum in the air and gobbled one while the other did me doggy-style.

Then we changed places, so the lad I'd been nosing could slip into me. And as he f\*\*ked me, his brother guided his cock into my mouth and I blew him, too.

Soon, I howled as I orgasmed and he climaxed shortly after.

We've met up a few times since but one of the brothers wants us to get engaged.

I'd rather stay as we are. What do you say?

*DG, Bristol*

Tess says...

**NO wonder! But if he's in love with you he won't like sharing, I'm afraid.**

MY insatiable girlfriend loves the idea of getting caught having sex, or while I'm licking out her fanny – in some public toilets.

She's made me shag her and taste her juices in some cramped public places and I've enjoyed it.

One time we were in a fast food place and she dragged me to a cubicle in the bogs and dropped her little panties.

She left the cubicle door unlocked and as I was pumping away and fondling her tits about six people all tried to get in and caught us in the act.

## Frigged

This seemed to turn her on no end and after I'd shot my load she sat on the bog, spread her legs and friggd herself off.

Now she wants to dress up as a naughty college girl, sneak in to the local university and get down to it in the toilets.

However, I'm worried that if we got caught we may be arrested.

I've tried to put her off but she's having none of it.

She's even threatened to do it with a complete random, if I don't do it!

How can I handle this girl better?

*SF, South Yorks*

**B**USTY Jessica Moore admits she's a big showoff.

And best of all, she likes to show off her big busters.

As soon as she turned 18, the Hungarian-born starlet started posing in topless photos for jazz mags.

She told *Midweek Sport*: "It's something I always wanted to do - I'm a natural show-off."

And with 34E curves, there's plenty to show off!

## Exciting

Juicy Jess soon found that posing was just not enough for her and moved into the exciting world of hardcore porn.

Her entry on the Boobpedia website says it all: "Jessica Moore is known as an anal queen among many porn fans because of her well received performances in films such as *Ass Pounders 6*, *DP Fanatics 3*, *Gaper Maker 7*, and a fair number of other anal sex films."

She admitted: "What can I say? I love it in the ass! 000F!"

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of nosh as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

# SHOW ME THE HONEY!

**WELCOME to the interactive Midweek Sport – where YOU get to choose the stunnas appearing on these pages!**

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to [request@sundaysport.co.uk](mailto:request@sundaysport.co.uk) telling us why you want to see your favourite girl, then sit back and let us do the rest.

## KAREN BRENNAN

CAR valetier Dean Osbourne might clean cars for a living, but he says if he had a night with Karen Brennan things would get dirty.

The 56-year-old business owner gets to clean celebrity super-cars daily – but his fantasy involves glamour legend Karen. Dean, from Cornwall, loved to ogle Karen's 36D sweater-stretchers as a teenager and said: "If Karen came in for a valet, I'd give her the full works and then some."

"Although, things wouldn't get clean, it'd get dirty!"

"There'd be white stuff all over her boobs and it wouldn't be shampoo!"

## CHLOE LACOURT

TOPLESS stunna Chloe Lacourt was requested by Andrew Heaton because he can't get enough of her cracking rack.

The 47-year-old steward, from Burnley, Lancashire, reckons that every time he sees Paris-born Chloe's 32B boobs, he feels a stir in his pants.

Andrew said: "Look at her, she's just ace."

"Every single time I see those perfect boobs, my cock just goes solid instantly."

"No other woman has that effect on me!"

**STELLA COX**

SCOTTISH gardener Callum Clarke has tons of photos of glamour girls in his shed, but Stella Cox is his favourite.

The 51-year-old, from Ayr, has a bevy of beauties pinned up among his tools – but Stella's 32Ds take pride of place.

Reading-born Stella is the apple of Callum's eye and he said: "I've probably got about 50 girls in my shed, but their boobs are only wee compared to Stella's."

"I've never seen any as perfect as hers – and I would spend all day planting my seeds all over them if I had the chance."

## Flying Palace can sparkle under Vieira

By ANDY MILLOM

CRYSTAL Palace can become a real force in the Premier League thanks to boss Patrick Vieira.

That's the view of Wilfried Zaha who believes the Eagles also have what it takes to stun Chelsea in the FA Cup semi-final.

Palace spanked Everton 4-0 at Selhurst Park without seeming to get out of first gear. And Zaha thinks Vieira has done a brilliant job in blending new players to create such a strong team.

The winger said: "The team is just proving how good it is."

"Some of the players haven't even played together that long, but it just shows what is in store for the club, the players who have been signed, what is in store for the future."

"It is good to be involved in it and going to Wembley."

"It was a tough start but that happens, we managed to weather that difficult start and implement our game onto them eventually."

### Talents

Vieira cleared out a lot of the old guard that former boss Roy Hodgson had relied on.

Palace play a much more attacking game now and the results are there to see.

Skipper Marc Guehi has broken into the England squad and there are other young talents like Eberechi Eze and Michael Olise making a real mark for themselves.

Defender Tyrick Mitchell is another making headlines and he looks set for a call

FLYING HIGH: Boss Vieira

into the England squad for friendlies against Switzerland and the Ivory Coast.

Boss Vieira says that's the way it should be at a club like Palace.

Giving young players a chance makes more sense than forever dipping into the transfer market.

He said: "I think what is important for those young players is to play games and this is how they're going to learn."

"As a football club, we give them the pathway that allows them to play and to improve."

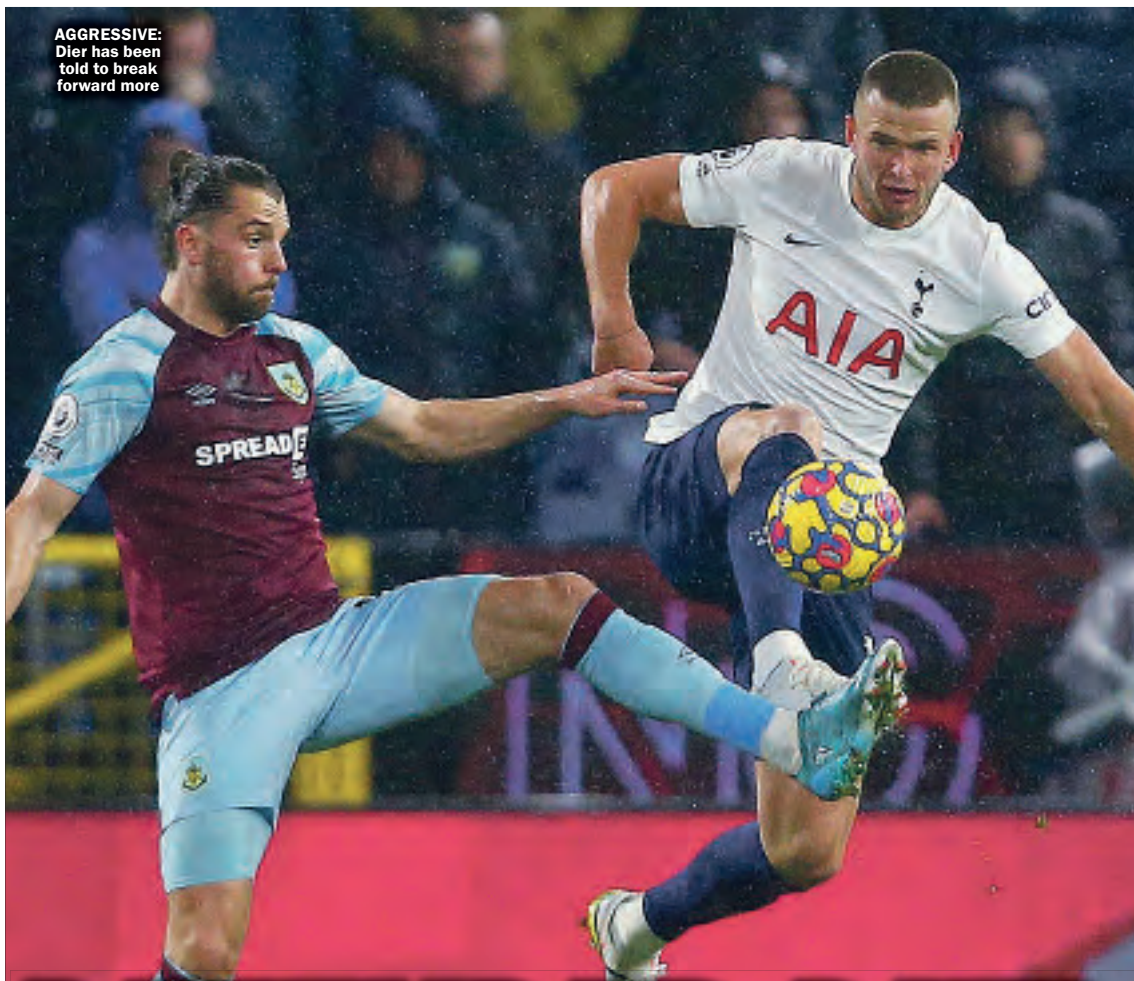

"But there's a lot of credit as well with the experienced players that we have in our team and all of them play a really important role to be a positive example."

"A lot of credit has to be given to those players that we have in our football club who know what you need to do to be a Premier League player."

# DEFENDER DIER ON THE ATTACK

## It's back to the future for Spurs stopper

By PAUL THOMAS

**TOTTENHAM are trying to build attacks from the back says defender Eric Dier.**

The England star revealed that boss Antonio Conte reckons Tottenham's Cristian Romero is the man to copy.

The Argie is getting name for himself after making lots of breaks from the back and joining in attacks.

### Boost

Dier and Romero have struck up a good partnership that has helped Spurs break right into the top-four race.

Winning the London derby against West Ham at the weekend was a massive boost in that battle.

Dier said: "That's what the manager wants in the centre-

backs, especially on the sides, but from all three of us – to break the lines and be aggressive."

"We are playing a back five but it is rarely a back five, someone is always trying to break the lines for us to be more proactive and more aggressive and allow us to press up the pitch."

"With Romero, one of his best qualities is that he is very aggressive and he reads the game very well."

Tottenham have been brilliant in some games this season only to have a real shocker next time.

They followed a win over Manchester City with a beating at Burnley as they clocked up a frustrating win-lose-win-lose pattern.

Dier hopes the win over the

Hammers signals an end to that run and means they can put results together and grab fourth from Arsenal.

He added: "I can't hide that our inconsistency has been weighing on my mind, it has been weighing on all of our minds and to end that cycle now before the international break is really important for us."

### Feeling

The derby win means Spurs go into the international break on a high.

One of the longer travellers is Heung-min Son who has headed back to his native South Korea.

He said: "I'm very happy that we won two games in a row before the international break."

"When you drop points before you go, it's not a great

feeling. I have a 15-hour flight, so I don't want to feel heavy inside."

"Now I feel really free, light, really happy and good."

"At 2-1 it's not clear, you are not sure what is going to happen, one set piece, you are always a bit nervous, and you don't want to concede a goal because we played fantastic."

After this goal, we were another goal ahead and I really enjoyed it.

"The performance, the effort, the commitment was just fantastic and for me, we deserved it."

"The way we played in the first half, created chances, we should have scored many more goals than the three we scored, to be honest."

"We totally deserved to win the game."

# LATEST ON LIVERPOOL'S QUADRUPLE HUNT

# There's more to season than just Man City

**WARNING:** Klopp wants his players to stay focused

By MARK NAYLOR

**JURGEN Klopp is warning his Liverpool players not to focus only on Man City.**

The Reds face two huge games against their biggest rivals in the final weeks of the season.

They clash in the Premier League on April 10 and have an FA Cup semi-final just six days later.

Those two games will go a long way to defining Liverpool's season.

They are still in the hunt for three more trophies but City can change all that by winning those two games.

## Dream

Despite them being massive, Klopp wants his players to think about their other matches too.

He said: "We have Watford, Benfica, City, Benfica, City, United, Everton."

"From a Liverpool perspective these are all massive games and we try to play them one at a time and not all together."

"We knew before the game City would be the opponent if we wanted to go to the final anyway. Now here we go."

"The further you go in whichever competition, the more likely you are you will face City at one point."

"I don't think we are the

dream draw for anyone, but it will be a tough tie and we have to make sure it will be tough for City as well.

"But there are a lot of games to play before that."

One player with a huge part to play in Liverpool's run-in is Luis Diaz.

The forward has been a revelation since arriving from Porto in January.

The Colombian wide man has slotted straight into the team and provided much needed support for the likes of Mo Salah and Sadio

Mane. His excellent form means the Kopites didn't miss Roberto Firmino when he was out injured.

It has also taken some of the pressure off and let Klopp rotate his forwards a bit more.

The manager couldn't be happier with Diaz.

He said: "Every coach would say the same about a January signing. You do it, but if you could, you would do it in the summer."

"With Luis, where it has

been really special is that when we saw him we knew that he would fit in immediately."

"That is really difficult usually but because he did not have to change, that is why we have a really confident boy here."

"He was in a really good moment with Porto, playing good for Colombia, and so he came here full of confidence."

"But what we tried to make sure is that he does not lose that because of the playbook as we tell him that he has to do this and he has to do that."

## Pressure

"We want him to be natural in his game."

"It was clear from the first moment that we saw him that he would be a player who could play immediately, on a specific level, if he could deal mentally with it."

"Because I cannot take the pressure he feels completely off him if he feels it."

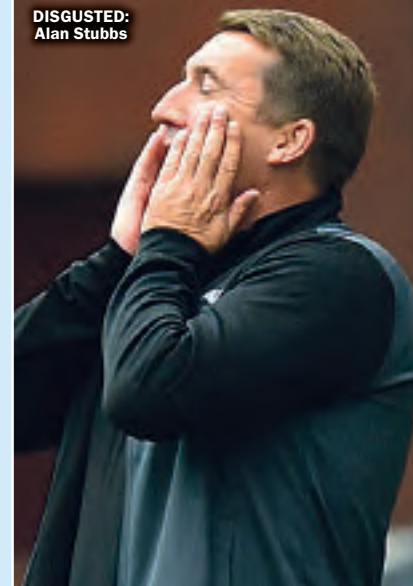

"It will take time. He is at a new club and he is thinking about what people expect. But he is obviously pretty natural here."

"That is why he plays the way that he plays. He is learning English too and that will help."

## STUBBSY: EVERTON PLAYERS 'GIVE UP'

By ANDY MILLOM

**FORMER** Everton skipper Alan Stubbs has accused some current Toffees players of "giving up" when they go behind in matches.

Boss Frank Lampard has a major headache as he tries to keep the Goodison boys out of the bottom three. He landed a vital win against Newcastle in the Premier League – only to see another terrible display as Crystal Palace spanked his side 4-0 in the FA Cup.

It wasn't the first time they shipped a lot of goals in one game – and Stubbs fears the players don't have the stomach for a fight.

He said: "I don't get any player that crosses the white line and doesn't try. That just doesn't happen."

But the one thing he's seen and previous managers before him have seen is that the players seem to give up at times.

"They've lacked leadership on the pitch."

"It's not a coincidence when Everton concede one goal that we've seen on a number of occasions this season it's been three or four."

"And that's not on the manager, that's down to the players."

"To the players taking responsibility. Getting among themselves and saying 'this is not good enough'."

Lampard has taken the step of ripping into his players after poor displays and he hasn't been afraid to call them out in public.

Some pundits think that's a bad idea and will only make their lowly confidence worse.

But Stubbs thinks the manager has every right to get stuck in.

He said: "I think as a group of players they need to know how it is now."

"Frank has come in and he's tried to build the confidence, he's tried to

protect the players from a lot of criticism that has come their way."

"I think Palace probably got to the point where he has turned around and said, 'enough now, I can't keep protecting you', after the way they keep capitulating in games."

There is some better news for the Blues as Juventus will have to pay around £25m for Moise Kean.

His loan spell from Everton to the Italians is going to an end and they have a commitment to buy the striker for that price despite him scoring just four goals.

**United and Arsenal chase Everton hitman**

**MANCHESTER United and Arsenal will fight to sign Richarlison this summer.**

The Brazilian has looked a lost soul at Everton this season as the Toffees fight against relegation.

Real Madrid are also interested in the 24-year-

old who would cost around the £60m mark.

That figure could fall if Everton drop down into the Championship as they would be desperate to get their biggest earners off the wage bill.

Richarlison has been linked with Old Trafford before with Ole Gunnar

Solskjaer thought to be very keen on a move last season.

Since then, he has become a regular fixture in the Brazil side even if his Premier League form has been modest.

His best season saw him score 13 league goals while he managed just seven last season from 34 games and it's four from 20 in the

current campaign. But Richarlison is still young and the feeling is he would score a lot more goals playing in a stronger team.

Arsenal need a new man to build their forward line around after losing Pierre-Emerick Aubameyang to Barcelona.

United will try to outbid their rivals as they look for more quality in attack.
